Guidelines for the Application

The EAWOP CARES ME Grant Application should include the following materials:

- a) completed and signed form;
- b) confirmation that PhD was obtained within the last 5 years;
- c) a research proposal (maximum 1500 words) which clearly outlines the aims, the methodology, the duration of the research and its intended outcomes. It should also articulate how this research project builds on the applicant's PhD and/or previous research and how it relates to the theme of the 2025 EAWOP Congress;
- d) a recommendation letter from the senior researcher, located in a different country, with whom the applicant wishes to work with;
- e) a proposed budget;
- f) a 1-page Curriculum vitae with a separate publication list.

Send one signed and dated original application as ONE pdf file including all materials via email to: monica.molino@unito.it

Applications must be received by the **8th of March, 2024**. Late or incomplete applications cannot be considered.
